

Invasive Non-Native Species: Arrival information for visitors

Event boat parking / rigging area

Boat Washing Bay

Parking bay / Boat unpacking

- On arrival at KWSC, please proceed to the parking bay as noted on the map. This area can be used to unpack / remove under covers.
- Please enter the visitor centre and ask for the boat wash down key. You will need to complete a register; this asks for details like your home club location
- On finishing, please put away the washer and return the key to the visitor centre
- You may then proceed to enter the sailing club boat park.
- The event boat storage and rigging area will be on the foreshore.
- Once your boat is dropped off, please remove your vehicle to the parking area.
- If parking inside the club grounds, please ensure not to block in members boats
